

FRESH START OPTION

The Fresh Start Option (FSO) gives you an opportunity to start again without the burden of a poor academic history. Please discuss the details of this option with a counselor to see if you qualify.

A student must be readmitted to NCC after two or more consecutive years of absence and have a GPA below 2.0 to request the Fresh Start Option.

If you wish to be considered for the Fresh Start Option, please sign and date this form, write in your current address and phone number, the semester you are applying for and attach a copy of your transcript.
